COMES NOW Lee J. Rohn, and files this additional Notice to the Court in furtherance of the notice previously filed on March 9, 2012 regarding ethics courses.

Undersigned in checking on the certification from the American Association for Justice has been informed that it does not give certifications. Further, because counsel was unable to travel to Phoenix due to counsel's trial calendar, the courses were taken pursuant to receiving the compact disc of the courses given and the written materials associated with the courses, which was provided to counsel by the American Association for Justice for the purpose of attending the courses remotely.
